over 3 million copies sold essential reading for catholics of all walks of life here it is the first new catechism of the catholic church in more than 400 years a complete summary of what catholics around the world commonly believe the catechism draws on the bible the mass the sacraments church tradition and teaching and the lives of saints it comes with a complete index footnotes and cross references for a fuller understanding of every subject the word catechism means instruction this book will serve as the standard for all future catechisms using the tradition of explaining what the church believes the creed what she celebrates the sacraments what she lives the commandments and what she prays the lord s prayer the catechism of the catholic church offers challenges for believers and answers for all those interested in learning about the mystery of the catholic faith the catechism of the catholic church is a positive coherent and contemporary map for our spiritual journey toward transformation

the first edition of the new catechism went out across the world in many language versions this gave the local churches the chance to study it in depth through their bishops and teachers they responded with comments on texts that needed refinement the present edition was developed in the light of these comments and published in latin as the definitive editio typica this book is the english translation of the editio typica

this volume is intended to meet a widely felt need for an up to date and concise source book on the principal teachings of the catholic church since the close of the second vatican council there has been such an accumulation of ecclesiastical constitutions and decrees and so many changes they introduced in catholic practice that few people have been able to keep up with all that has happened a parallel purpose of this volume is to offer those who use it a handy guidebook of the catholic tradition whether formally documented in ecclesiastical sources or implicitly accepted by the

faithful under the aegis of the church's hierarchical leaders the method followed in presenting the church's doctrine is a combination of history and logic doctrines are placed into a historical framework by tracing their origins to the old and new testaments and placing their development within the context of persons places and times the doctrine thus becomes more intelligible because it is viewed in the setting of its vital growth over the centuries the intended reading audience of this catholic catechism are all those priests religious and laity and above all parents and teachers who are looking for a concise statement of the faith they profess the conduct they practice and the worship they give to the lord from the catholic catechism by john a hardon s j

the new catechism of the catholic church the first since the council of trent four centuries ago will play a major part in shaping the consciousness of roman catholic christians of the foreseeable future not only will it remain the foundational text for teaching catholic doctrine for years to come but it successfully consolidates the achievements of the second vatican council and presents the definitive modern synthesis of the church's ever living tradition aidan nichol's study introduces the reader to the doctrinal teaching of this massive text of almost three thousand clauses commenting on the vital first part of the catechism section by section he succeeds in highlighting its principal themes while drawing attention to the significance of the way they have been handled more sympathetic to the intentions of the catechism's authors than some other recent commentators nichols is sensitive to the nuances of this magisterial text and its immense theological import

ratzinger one of the key persons responsible for the compilation of the catechism of the catholic church offers new insights on the catechetical character and biblical foundation of the worldwide bestselling catechism that has had such a positive response from ordinary catholics across the globe but he acknowledges that the response of many theologians and professional religionists has been negative toward the catechism he says that if theologians don't want to be shut out of this worldwide development of *sensus fidei* and lose touch with the common catholic they will have to engage the catechism positively the main purpose of this book is to offer an invitation to this changed approach to the catechism he wants people to see as he shows here how the catechism is an excellent teaching tool that responds to man's deepest questions about the meaning of life how to live a good life and

how to attain happiness in this life and in eternal life he shows how the catechism affirms that man's happiness is love and that the essence of true love has been manifested in the person of Jesus Christ. Learn more about Pope Benedict visit the
